Re: Ellsworth Industrial Park Site  
Downers Grove, Illinois

Dear Mr. Enwiya:

In response to the U.S. Environmental Protection Agency's June 12, 2006 correspondence to Bruce White, as Project Coordinator for the above referenced matter, I have enclosed copies of certain, requested documents on behalf of William F. Helwig, Jr.

The enclosed documents are: building schematics, bearing bates labels HELW 0590 and HELW 0614; and, Phase I Reports, bearing bates labels HELW 1049 to 1168 and HELW 1258 to 1484. Furthermore, should you so require, Mr. Helwig could provide copies of leases for the property at 5400 S. Janes Avenue, which contain some information as to operations at the property and location of operations.

Please feel free to contact me should you have any questions or concerns.

Very truly yours,

Eric L. Samore
